Tucker, GA 30084

Dear Mr. Tuff:

We want to thank you for the professional multi-media services One Vision Productions has provided us over the years. One Vision designed our basketball organizations logo, business cards and website. You thoughtfully listened to our ideas and then exceeded our expectations with what you created. During our team photo day, which consisted of 70 active kids, your team of professionals were able to address all the parents' concerns and efficiently take all individual and team photos in a timely, orderly fashion.

Our staff and parents have come to really appreciate your customer-service oriented approach to doing business. One Vision also created our Knights end of season video presentation. The quality of work received 5 stars from all our parents. One Vision Productions is truly a one-stop shop and they put their clients first. We look forward to a long-lasting business relationship.

Best regards,
